

NOTTINGHAM CASUALTIES SITTING VOLLEYBALL

SPONSORSHIP OPPORTUNITIES

ABOUT US

Founded in 1995 at the Queen's Medical Centre, Nottingham Casualties Volleyball Club has grown into one of the city's leading and most inclusive volleyball communities.

In 2023, we launched our sitting volleyball programme, opening the door for both disabled and non-disabled people to take part in this fast-paced, skilful and exciting Paralympic sport.

Over the last two seasons, we've built a strong and committed squad of 12 members - from complete beginners to GB internationals.

Now, we're ready to take the club to the next level and we'd love for you to be part of that journey!

WHY SPONSOR US?

How Your Investment Will Help

Your sponsorship will contribute directly to:

- Covering hall hire and training costs
- Funding travel and accommodation for more opportunities to compete in the UK and overseas
- Purchasing specialist sitting volleyball kit and equipment
- Delivering outreach events within the local community to inspire and engage more people in Nottingham to play sitting volleyball
- Securing the sustainability of our sitting volleyball programme for years to come

Community Impact

We are more than a sports team - we are a community. Your sponsorship will directly support people of all abilities, including disabled people, to engage in sport, improving physical and mental wellbeing, reducing social isolation and creating inclusive opportunities across Nottingham. As a valued partner, you'll be invited to club events where you can meet the athletes, hear their inspiring stories and see first-hand the impact of your support.

Brand Visibility

Your organisation's name and logo will be proudly displayed on player kit, event banners, social media and our website. With competition appearances both nationally and internationally, your brand will be seen by diverse audiences - including sports organisations, disability advocates and the wider Nottingham community.

Inclusion & Accessibility

By sponsoring us, you will be recognised as a champion of diversity, equity and inclusion. You'll be associated with a unique sport that breaks down barriers, changes perceptions and brings people of all abilities and backgrounds together. To thank you for your support, we'd also like to offer your organisation the chance to experience first hand the fun sport of sitting volleyball - whether at a dedicated team-building session or a special corporate sponsor day.
